

# Directions to DWR Water Sciences Section - Chemistry Laboratory

4405 Reedy Creek Road, Raleigh, NC 27607

Telephone: 919-733-3908

(Image from GoogleMaps)

## Access Wade Avenue as follows:

- From West of Raleigh – I-40 East to Exit 289 (right lanes exit to Wade Avenue)
- From South of Raleigh – I-40 West to Exit 289 (right lanes exit to Wade Avenue)
- From North and East of Raleigh – I-440 West to Exit 4B (right lane exits to Wade Avenue)

## Access Edwards Mill Road as follows:

- From Exit 289 (I-40) – stay in right lane on Wade Avenue and take first exit; turn left at traffic light (then straight and through second traffic light just beyond overpass).
- From Exit 4B (I-440) – stay in right-hand lane; take the second exit; stay in right lane and bear right.

On Edwards Mill Road - at first traffic light, turn right onto Reedy Creek Road.

On Reedy Creek Road - take first right-hand exit; this is the entry to Water Sciences Section, buildings 4401 and 4405.

- The chemistry laboratory is in building 4405, which is closest to Reedy Creek Road.
- Main entrance is on the courtyard side of building.
